## Bible Reading Schedule

(January 1 - June 30, 2010)

The psalmist says, "Thy word is a lamp unto my feet and a light unto my path." (Psalm 119:105) This statement is a wonderful reminder for the journeys that we will be starting this year. We need light from God's Word in order to find our way to the destinations God has in store for us. The daily reading of Scripture will guide our footsteps better than anything else.

We will find light from a wisdom greater than our own, transforming our limited perspectives, clarifying our vision, and liberating us from the short-sightedness of currently popular fads and values. You will find the habit of daily Bible reading one of the most rewarding disciplines of your Christian life. If you follow the suggested schedule you will read through the entire Bible this year. This schedule has the first half of the Bible and the other half of the schedule will be distributed at the end of June.

### ♥ Tips for Bible Reading Discipline ♥

- After reading assigned chapters, mark √ on the √ column in the schedule.
- Try to keep up with the schedule. If you skip one or two days, just get on with the schedule and catch up the skipped ones later.
- Pray and ask God to help you read the Bible everyday.
- Have anticipation of God's blessings through His Words.
